

Donations

IPL does not generate funds through for-profit activities, but only with scientific grants and thanks to institutional and individual donors.

You can support our work !

Regardless of the amount, a gift to Institut Pasteur du Laos is a commitment to our mission to improve Lao PDR public health.

Please help us fulfill our commitment to scientific progress, to fighting infectious diseases, and to educating and training Lao health professionals.

Ways of giving :

1) by transferring funds to IPL Bank Account :

In US Dollar [\(please click here\)](#)

In Euro [\(please click here\)](#)

In Kip [\(please click here\)](#)

2) Securities, Real Property or Bequests.

IPL in his statutes has the right to obtain and manage these types of donations. If you are interested to help IPL in this way, please contact donation@pasteur.la or the Financial Department of IPL (Dr. des Gravières, tel +856 21 285321, fax +856 21 285326)

— — —

Transparency is our absolute commitment. IPL set up an analytic accounting system with tracking and recording of every amount of money received and spent, as it was the requirement of the founder partner Institut Pasteur in Paris and according to its international standards.

100% of the funds will be used for the direct benefit of the Institution by financing equipment, science programs, general costs of functioning and maintenance of IPL.

At your request at each end of fiscal year, we can provide you the exact utilisation IPL did for your donation.

You can also specify a particular utilization, i.e. specific research program, specific equipment for your donation (in this case please contact us)
